

Building a Masonic Library

Every Mason should have a good, solid library of books on Masonry. With all the books that are available, it can be hard and expensive to find the right ones. The Grand Lodge Education Committee has read and recommends these books as the "must have" basics for starting a Masonic Library. They have been divided into three categories to assist you in deciding your level of interest.

Basic

Freemasonry for Dummies; Christopher Hodapp

ISBN 0-7645-9796-5
